

NCPE After-School Enrichment Program  
 Winter 2018 Class Descriptions  
 Monday

Class Name	Day	Grades	Instructor	Description	Cost	Size Limit
Dinosaur Adventures 	Mon <i>(art room)</i>	K-2	Artsy Smartsy	Dinosaurs ruled the earth for millions of years. Then suddenly they disappeared. Learn all about dinosaurs as we take an adventure back in time. Find out which dinosaur was the largest, which was the smallest, which had the most horns, the longest neck, or which ate the most food. Learn which dinosaurs evolved into animals of our own time and create awesome art projects in paint, collage and clay as we work our way through our own awesome Jurassic Park!	\$230 (includes supplies)	16
Floor Hockey 	Mon <i>(Gym)</i>	1-3	Coach Sancetta	Back by popular demand! Children will have a blast participating in one of the most energetic sports, floor hockey. It is hockey without the ice and skates! Get those future NHL-ers off to a good start. Participants will learn stick handling, passing, shooting, and goal play. And of course play games! Floor hockey develops hand-eye coordination, agility, speed, and strength. Hockey sticks are provided, and plastic pucks are used.	\$210	16
Karate Kids 	Mon <i>(K-wing)</i>	Pre-k-2	K Dojo Warrior Tribe of Fairfield	Get a “kick” out of karate! Your child will work to develop confidence, coordination, focus, flexibility, and self-discipline as they learn the art of self-defense. This class is appropriate for new and returning students. Taught by K Dojo Warrior Tribe of Fairfield, students are rewarded with colored belts, based on a traditional martial arts “belt system.” Since this is a Beginner Level program, yellow belt is the highest level awarded in this class. (Trophies will be awarded instead to students who have completed their yellow belt/third session.)	\$250 (includes shirt & belt)	18
Kids in the Kitchen 2 	Mon <i>(teacher's lounge)</i>	1-3	Ms. Pennisi	For those who couldn't get enough of Kids in the Kitchen, a more advanced class with different recipes has been created. Continue to build your cooking skills and impress your friends and family with your skills. Kids in the Kitchen 1 is not a prerequisite for this class.	\$250 (includes materials)	16

 Winter 2018 Class Descriptions  
 Tuesday

Class Name	Day	Grades	Instructor	Description	Cost	Size Limit
Flag Football 	Tues (gym)	1-3	Coach Sancetta	Just because outdoor flag football season is over doesn't mean you can't still play! Coach Sancetta will run indoor flag football so kids can learn the rules, run some plays and enjoy the game!	\$210	16
Kids in the Kitchen 1 	Tues (teacher's lounge)	K-2	Ms. Pennisi	Let's get cooking & baking! Each week students will learn the steps to follow a recipe and create delectable treats! From measuring and pouring to mixing and eating, kids will learn how to put their own touches on delicious and edible creations.	\$250 (includes materials)	16
Pencil Drawing 	Tues (classroom)	Pre-k-1	Ms. (Mazzacone) Raimondi	Back by popular demand, Grandview's own Ms. Ramondi will teach basic pencil drawing and sketching techniques while students increase their sense of artistic balance, observation, and confidence. <i>Classes are divided by grade to include challenging age-appropriate lessons.</i>	\$230 (includes supplies)	20
Legos 	Tues (Library)	K-2	Artsy Smartsy	Join in the fun as we use our bricks to build projects together, or challenge yourself to create some new and amazing things. Lego bricks are provided but will not be taken home. Structured supervision without instruction.	\$210	16

 Winter 2018 Class Descriptions  
 Wednesday

Class Name	Day	Grades	Instructor	Description	Cost	Size Limit
Board Game Bonanza 	Wed (classroom)	Pre-k-2	Ms. Conroy & Ms. Shabazian	Learn while you play! Your child will learn skills such as turn-taking, math skills, how to be a good sport, and how to lose well, too. In addition, they will learn social skills and build friendships while playing fun and popular board games.	\$210	16
Grandview Showstoppers 	Wed (Classroom)	K-2	Ms. Doyen	Learn how to sing and dance in this beginner music class! Children will sing and perform their favorite musical numbers in a comfortable and loving environment. Stage direction, self expression, singing and dancing are a few of the skills they will practice weekly.	\$210	16
Pencil Drawing 	Wed (classroom)	1-3	Ms. (Mazzacone) Raimondi	Back by popular demand, Grandview's own Ms. Ramondi will teach basic pencil drawing and sketching techniques while students increase their sense of artistic balance, observation, and confidence. <i>Classes are divided by grade to include challenging age-appropriate lessons.</i>	\$230 (includes supplies)	20
Tennis 	Wed (Gym)	K-3	Northern Jersey Tennis Academy	This new class is open to those of all levels! The Northern Jersey Tennis Academy will teach kids basic strokes and work on hand eye coordination in a fun and exciting setting. Fun props will be incorporated with special nets that are smaller and easier for kids to move around. For more experienced players, they will develop their tennis skills and learn the art of court coverage, which is crucial for being able to rally. Racquets provided, but feel free to bring your own.	\$230	16
Fashion plate 	Wed (Library)	1-3	Artsy Smartsy	The world of fashion is exciting and fun! By crafting fabulous looks with headwear, clothing, accessories and more you'll get the creative juices flowing in a unique and special way. Learn all about the wonderful world of fashion design as you imagine and create your own great garment and coordinating accessories, then show them off on the catwalk and become the next great fashion star! Juniors create a t-shirt dress and accessories.	\$250 (includes supplies)	16

 Winter 2018 Class Descriptions  
 Friday

Class Name	Day	Grades	Instructor	Description	Cost	Size Limit
Computer Coding and Robotics 	Fri (Comp Lab)	2-3	Ms. Pontrella	Robots & Coding—PERFECT Together! Are you interested in Robots and how they work? Are you interested in learning to Code? What if we put robots and coding together? That would be exciting and FUN! Join me after school to learn how to code robots to follow commands and perform tasks we ask them to do!	\$210	16
Drama 	Fri (music room)	1-3	Lilli Markey	Get into the "act"! This creative and fun drama class will teach children acting techniques while helping to build self-esteem through enhanced public speaking skills. This class is appropriate for new and returning students. The final class will include a performance for parents demonstrating the techniques learned.	\$210	14
Gymnastics 	Fri (gym)	Pre-k-1	Tumble Zone	Tumble Zone's trained coaches will come with mats and equipment for a fantastic gymnastics/sports program. Each week kids will learn two new basic gymnastic skills and different fun sports games. This program will provide students the opportunity to learn coordination, flexibility, discipline, and sportsmanship in a non-competitive, structured environment.	\$210	14
Helping Hands 	Fri (classroom)	K-3	Ms. Doyen	Get into the spirit of helping! Each week we will learn about a different charitable organization and do a service project associated with their mission. Your child will write letters to troops, make cat nip toys for the local humane society, and much more!	\$230 (includes materials)	12

NCPE After-School Enrichment Program  
 Winter 2018 Class Descriptions  
 Gould School

Class Name	Day	Grades	Instructor	Description	Cost	Size Limit
Google Computer Science First Club 	Mon (GOULD)	4-6	Ms. Jeffrey	This class uses Scratch to teach block coding. Each Computer Science First Club is based on a real-world theme, with all materials provided by Google. A new theme will be introduced, so repeat students are welcome. Field trip to Apple Store.	\$230 (includes supplies)	12
3D Printing Exploration 	Wed (GOULD)	4-6	Ms. Jeffrey	Tinkercard is a simple, online 3D design and 3D printing tool. Tinkercard can be used to make toys, prototypes, home décor, Minecraft models, jewelry- the list is truly endless! Whoever you are...you dream it, you can make it. The goal is for students to become a proficient Tinkerer! <b>NOTE: Class meets 7:45-8:30 am</b>	\$210	12
Spanish Conversation and Culture 	Wed (Gould)	4-6	Ms. Reyes & Mrs. Delgado	The course is tailored to help students from different levels to improve their listening comprehension and speaking skills in Spanish while having fun. Students will participate in meaningful activities, simple conversations and discussions about daily life and world events using the target language. Class will be taught in Spanish. Materials use in class: computers, notebook, books, headphones.	\$210	18
School Play 	Thurs (Gould)	4-6	The Performing Arts Project of NJ	<b>NEW COMPANY!</b> All students welcome for this year's production of Peter Pan Jr! Rehearsals start on Thursday, January 11. NOTE: Special time for school play rehearsals 3:30–5:30 p.m.	\$325	50
Challenger 	Fri (GOULD)	5-6	Ms. Linden & Mr. Gesario	Challenge the mind! This class is for students who want to challenge themselves outside the classroom. Students will use creative thinking and problem solving to work through the fun, yet challenging Language Arts and Mathematics lessons, <i>which will differ each semester</i> . The class is geared toward students seeking to enrich their critical-thinking skills. It is suggested for students to have a minimum of 220 MAP score. <b>NOTE: Class meets 7:45-8:30 am.</b>	\$210	14/grade
